As a speaker (e.g. tour guide or interpreter) and as participant you can easily invite other users to an event.

On web

Step 1: Click on "Share event" in the top right-hand corner.

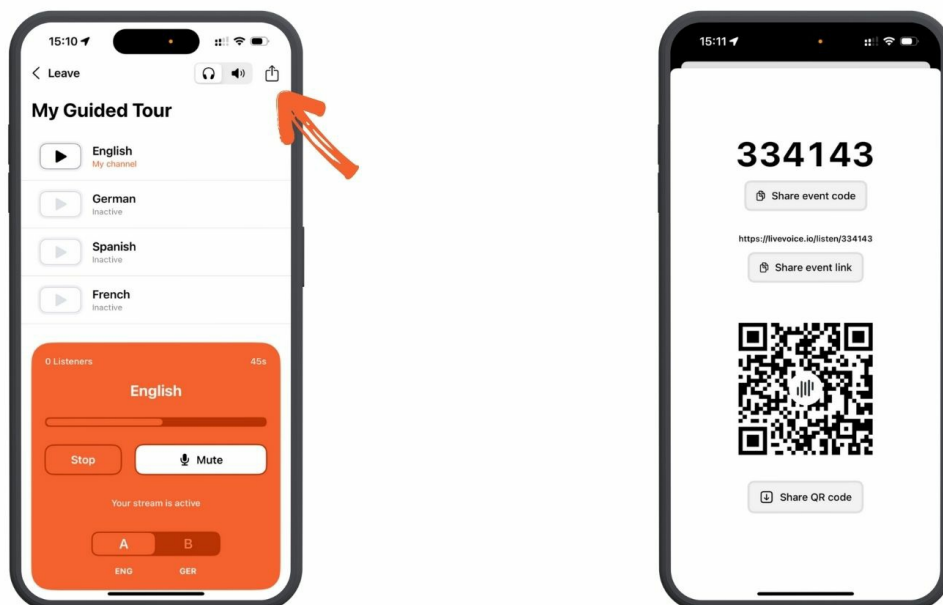

Step 2: Choose how you want to invite other participants.

On mobile app

When you share as a speaker, press the button top right. A sheet will open with the different options.

As participant you also have a sharing button on top right and the same sheet with sharing options.
