

# Join as participant

Learn here how to join if you are a listener or want to read subtitles on your device.

You can join a LiveVoice event either via **mobile device** or **computer**.

The event organizer will provide a **smart link**, **QR code** or **6-digit code** to enter.

When you open the link or scan the QR code with a **mobile device**, you will automatically join the event if you have the app already installed.

If you have not installed the app yet or use a computer browser, you will be directed to a **welcome page** that explains how to join.
