

Branding: Customize your event

Adding header image and logo to your event.

[Features](#)[Live Translation](#)[Guided Tours](#)[Silent Conferencing](#)[Audio Description](#)[Admin](#)

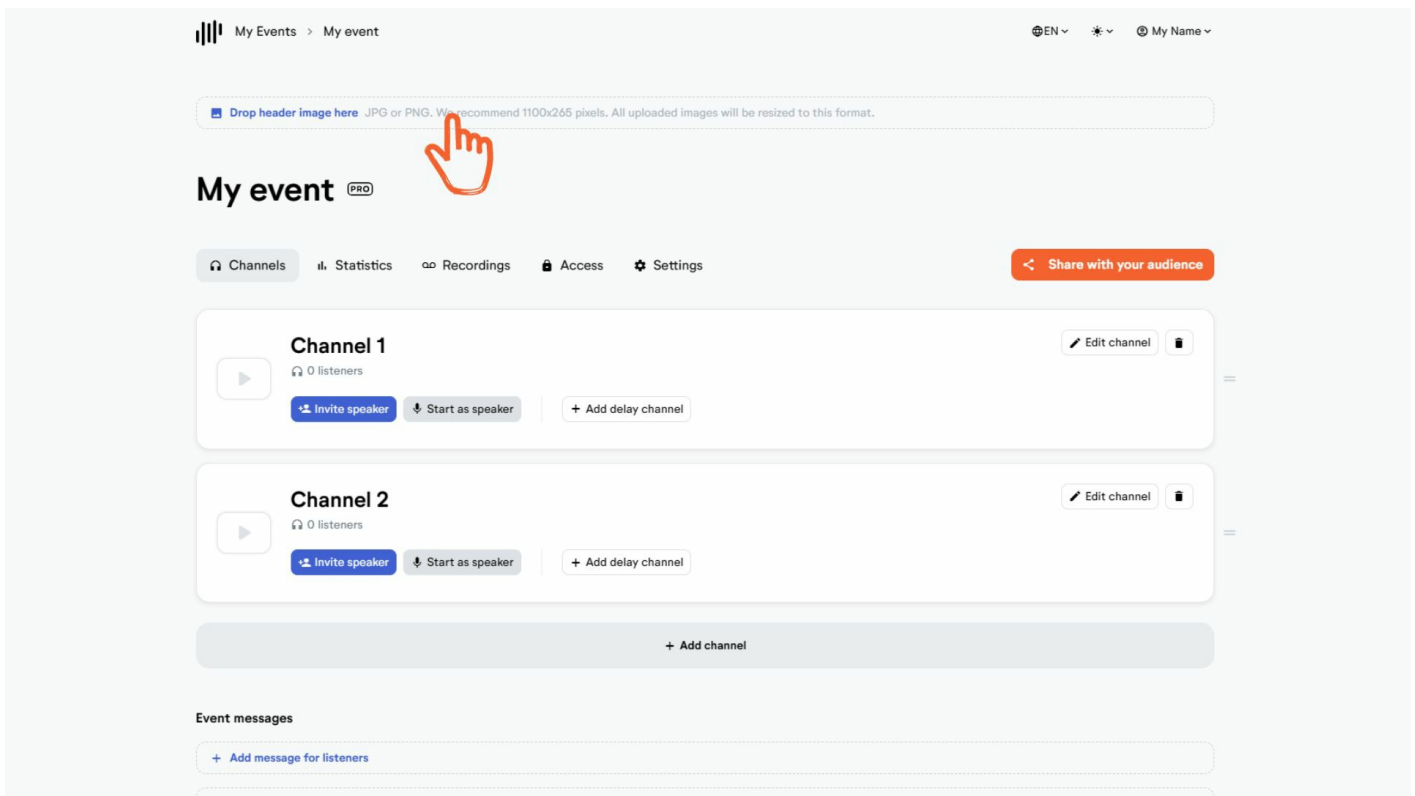

With LiveVoice SMART and PRO you can add a header image and your logo to events, which will be displayed to the listeners in the app.

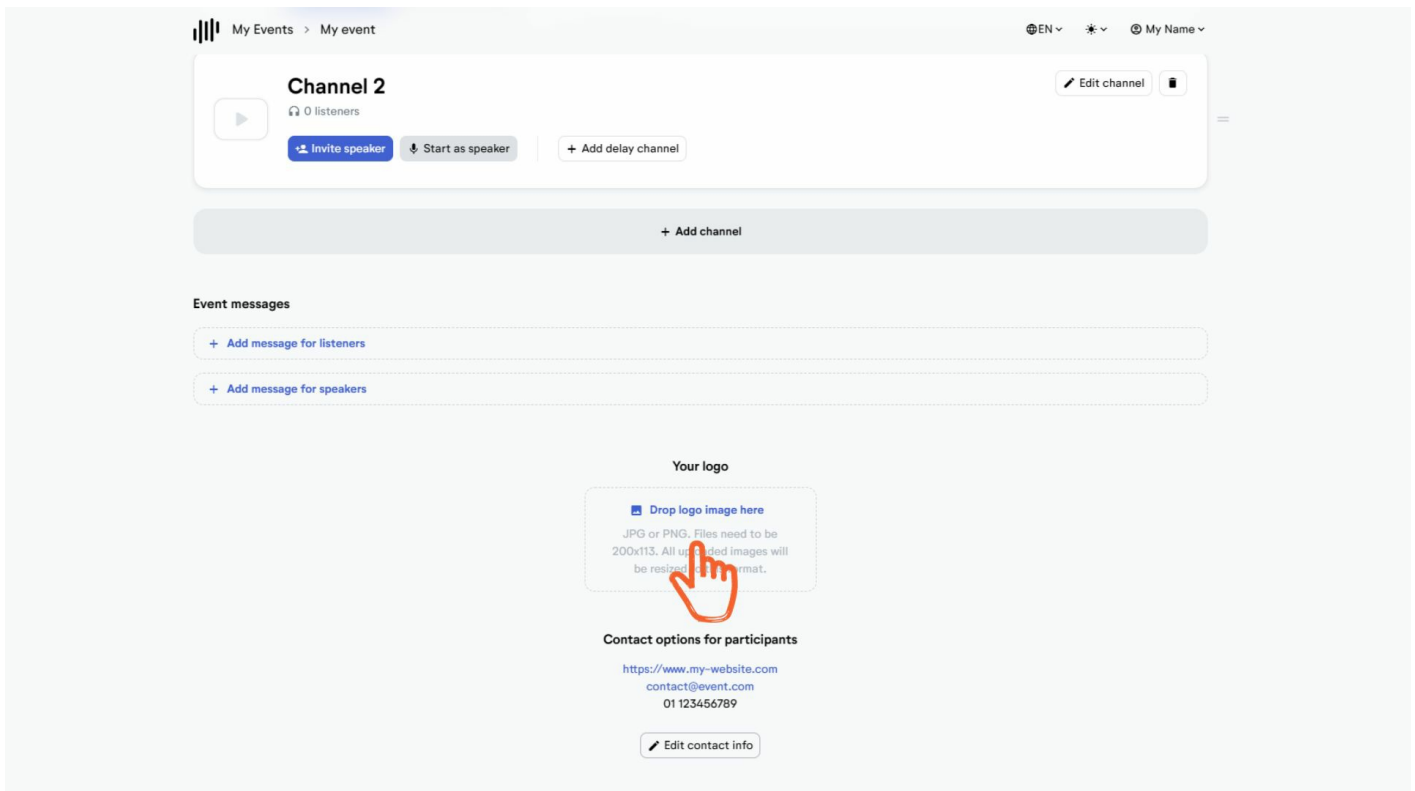

To add the header image and logo, go to your admin account and click or just drop an image and a logo.

- Header image format: 1100 × 265 px (JPG or PNG)
- Logo image format: 400 × 225 px (JPG or PNG)

Add header image:

Add Logo:

You can of course always change or remove the header image and the logo

Remove header image:
