1. Account Plans

Pick a plan depending on the **maximum number of participants at the same time** you want to reach ([more on that here](#)). You can choose between **day plans** and **subscriptionplans** (monthly or yearly).

If you want to make sure that everyone can join even if there are more participants than expected, we have you covered with our [Temporary Auto Upgrade option](#).

You can choose between three different account plan types: LIGHT, SMART and PRO ([more on that here](#)). We also offer custom plans for special requirements and a number of additional PLUS features.

More things to know

Flat fee

You do not have to pay extra for multiple channels or events. The only thing that matters is the number of maximum listeners you have **at the same time**. So for example with an 50 listeners plan you can have 2 events at the same time with 25 listeners each, with as many channels as you want.
