# Create events & channels

Setting up events and channels is a breeze. Access your LiveVoice admin account in your web browser and follow these steps.
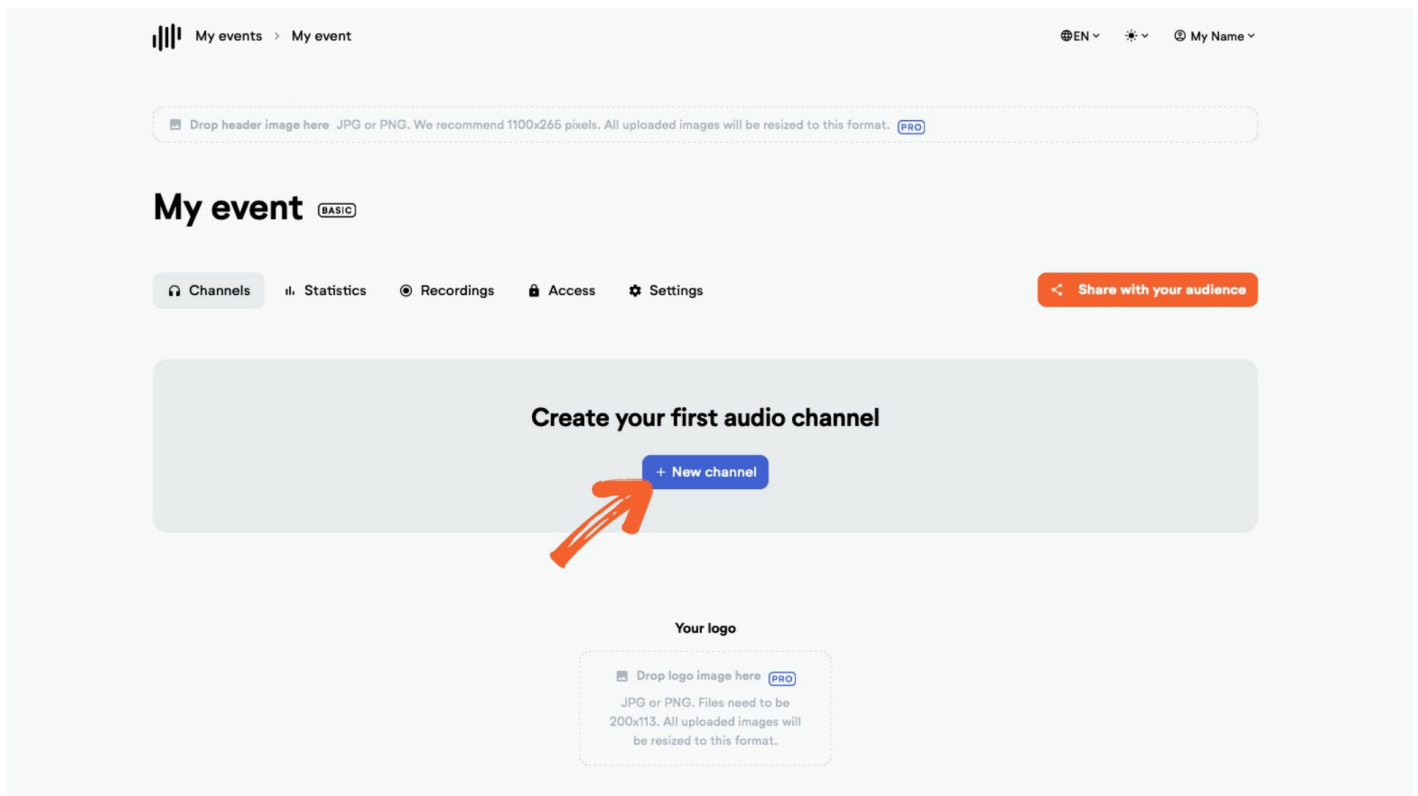

(Basics) (Live Translation) (Guided Tours) (Silent Conferencing) (Audio Description) (Admin)

Step 1: Create a new event and choose a name.

Step 2: Create a new channel and choose a name.

Done! (...or add more channels)

Watch this video to learn all the basic steps to start with LiveVoice as an admin:
