To use LiveVoice as a tour guide, bring your charged smartphone and follow these steps.

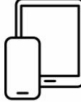

Step 1: Download the LiveVoice app

Go to your app store or follow [this link](#). Download the LiveVoice app.

Listeners & Speakers

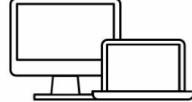

Take part in an event as participant.
Free to use. No signup needed.

On mobile devices we strongly recommend to use the app.

Step 2: Plug in your headset

You find some [headset recommendations here](#).

Step 3: Enter 6-digit code

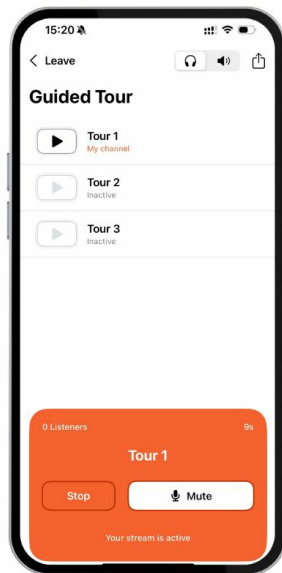

Enter the code you have received from the LiveVoice admin. Once you have entered, you will see the speaker interface. You are now in the "lobby". This means you see all necessary control elements but are not active yet.

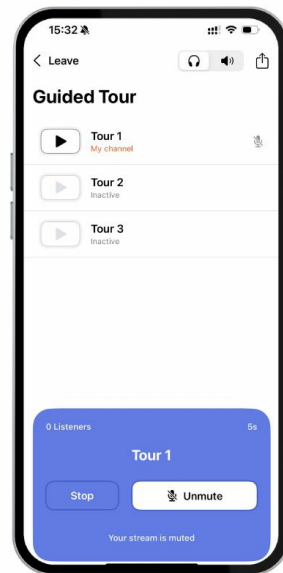

Step 4: Click Start

You might have to allow the microphone access if you are using LiveVoice for the first time.

Orange means you are active now. To mute yourself click the mute button - the interface turns blue.

Step 5: Share the tour with your group

To share the tour with your tour participants click the share button on top right.

This will give you several sharing options (6-digit code, link or QR code).

Participants can hear you now

Listeners can click play and listen immediately. Here is an example how the listener interface looks like.
